Welcome to the Chipmunks Class

2 ½ to 3 years

Meet Lead Teacher Jeannette “Nette” Fisher

Ms. Nette

Ms. Nette has worked with children of all ages, mostly two and three year olds, for almost 20 years. She has a variety of experience that includes previously working as a lead teacher and also a coordinator for a Prescribed Pediatric Extended Care (PPEC) center. Along with her teaching experience she has also been a Certified Nursing Assistant (CNA) for 20 years and has had her Medical Assistant License for ten years. She is currently working toward an Associate of Applied Science (AAS) in human services with concentration in early childhood, and an Associates in Arts.

At Sproutlings, she loves seeing a child meet their milestones and assisting children and families in their goals. In her free time, she enjoys being outside, exploring the world and going on adventures her sons. She also enjoys reading, mostly nonfiction, and learning new ideas.

Connect with classroom staff

You are invited to connect with your classroom staff at anytime. Each day, you'll receive a report of the day's activities. Plus, twice per year, you'll be invited to a one-on-one conference with your lead teacher to discuss your child's development and progress.

Please let us know anytime you have a question, concern or suggestion.

Ms. Nette Fisher

Chipmunks - Growing and Learning

Learning and development

Curricular calendars are planned and given to parents/guardians so you are aware of the themes and concepts being worked on. Calendars are posted in each classroom along with a daily schedule. Here are examples of skills that will be addressed, depending on your child's skill level.

Self Help Skills — Introduce dressing and taking shoes and socks off

Numbers — Introduce numbers 1-20 through games, songs and hands-on activities

Colors — Introduce eight basic colors: red, blue, green, yellow, orange, purple, brown and black

Shapes — Introduce four basic shapes (circle, square, triangle and rectangle) through games and puzzles

Small-Motor Skills — Improve hand coordination through play using various media, including play dough, puzzles, finger play, art and scissors

Large-Motor Skills — Involve children in activities such as running, hopping on two feet and climbing.

Language Arts — Improve language skills through play and story time, includes becoming aware of general body parts

Seasons — Introduce characteristics of weather, wind, rain, snow, and sun, leading to concepts of what we wear and why

Art/Crafts — Make simple crafts and participate in activities using a variety of materials

Alphabet — Introduce some alphabet letters and their sound
