Welcome to the Raccoons Class

4 years+

Meet Lead Teacher Elise Petrone

Ms. Elise

Ms. Elise attended the College of New Rochelle in New York. She then moved to New Jersey and worked at a preschool for 14 years before moving to Louisville in 2014. At Sproutlings, she loves working with both the medically fragile and typical children. In her free time, she enjoys reading and attending shows at Actors Theatre.

Connect with classroom staff

You are invited to connect with your classroom staff at anytime. Each day, you'll receive a report of the day's activities. Plus, twice per year, you'll be invited to a one-on-one conference with your lead teacher to discuss your child's development and progress.

Please let us know anytime you have a question, concern or suggestion.

Raccoons - Growing and Learning

4 years+

Learning and development

Curricular calendars are planned and given to parents/guardians so you are aware of the themes and concepts being worked on. Calendars are posted in each classroom along with a daily schedule. Here are examples of skills that will be addressed, depending on your child's skill level.

Self Help Skills — Introduce dressing and taking shoes and socks off

Numbers — Introduce numbers 1-20 through games, songs and hands-on activities

Colors — Introduce eight basic colors: red, blue, green, yellow, orange, purple, brown and black

Shapes — Introduce four basic shapes (circle, square, triangle and rectangle) through games and puzzles

Small-Motor Skills — Improve hand coordination through play using various media, including play dough, puzzles, finger play, art and scissors

Large-Motor Skills — Involve children in activities such as running, hopping on two feet and climbing.

Language Arts — Improve language skills through play and story time, includes becoming aware of general body parts

Seasons — Introduce characteristics of weather, wind, rain, snow, and sun, leading to concepts of what we wear and why

Art/Crafts — Make simple crafts and participate in activities using a variety of materials
