

Dear Parent / Guardian of _____ ,

Your child's immunization certificate:

- is expired
- will expire on
- is missing

It is important that you bring in or fax a copy ASAP. Sproutlings Pediatric Day Care & Preschool is required to have a current immunization certificate on file by state law.

> Please see Director of Education & Operations Amber Zambrano if you have any questions or concerns.

158.035 Certificate of immunization.

Except as provided in KRS 214.036, no child shall be eligible to enroll as a student in any public or private elementary or secondary school without first presenting a certificate from a medical physician, osteopathic physician, or advanced practice registered nurse licensed in any state. The certificate shall state that the child has been immunized against diphtheria, tetanus, poliomyelitis, rubeola, and rubella in accordance with the provisions of this section and KRS 214.010, 214.020, 214.032 to 214.036, and 214.990 and the administrative regulations of the secretary for health and family services. The governing body of private and public schools shall enforce the provisions of this section.

Effective: July 15, 2010

922 KAR 2:110. Child-care center provider requirements.

Section 3. Records.

(1) A child-care center shall maintain:

(a) A current immunization certificate for each child in care within thirty (30) days of the child's enrollment.
